STATE OF OREGON )

**Affidavit in Support of a Criminal Complaint and Arrest Warrant**

I, Kyle Cozart, being duly sworn, do hereby depose and state as follows:

**Introduction and Agent Background**

1. I am a Criminal Investigator Deputy United States Marshal (CIDUSM) with the United States Marshals Service and have been since August of 2017. I am assigned to the District of Oregon where I am responsible for conducting fugitive and sex offender investigations that result in arrest and prosecutions of individuals who are facing criminal charges in state and federal court. As a Criminal Investigator Deputy U.S. Marshal, I am authorized under 28 U.S.C. § 564 to enforce the federal criminal laws of the United States. My training and experience includes completion of the Federal Criminal Investigator Training Program and the U.S. Marshals Service Basic Academy at the Federal Law Enforcement Training Center in Glynco, Georgia. I have also attended additional training provided by other law enforcement entities relating to fugitive investigations and sex offender investigations.

2. I submit this affidavit in support of a criminal complaint and arrest warrant for Patrick STAFFORD. As set forth below, I have probable cause to believe that Patrick STAFFORD committed an assault upon a federal officer, in violation of 18 U.S. Code § 111.

3. The facts set forth in this affidavit are based on the following: my own personal knowledge, knowledge obtained from other individuals during my participation in this

investigation, including other law enforcement officers, interviews of witnesses, my review of records related to this investigation, communication with others who have knowledge of the events and circumstances described herein, and information gained through my training and experience. Because this affidavit is submitted for the limited purpose of establishing probable cause in support of the application for an arrest warrant, it does not set forth each fact that I or others have learned during this investigation.

**Applicable Law**

4. 18 U.S.C. § 111 makes it an offense to forcibly assault, resist, oppose, impede, intimidate, or interfere with any person designated in 18 U.S.C. § 1114 while engaged in or on account of the performance of official duties. Under § 111(a), simple assault is a misdemeanor; an assault involving physical contact with the victim or an intent to commit another felony is a felony. Persons designated in § 1114 include any officer or employee of the United States or of any agency in any branch of the United States government while such officer or employee is engaged in or on account of the performance of official duties, and any person assisting such an officer or employee in the performance of official duties.

**Statement of Probable Cause**

5. Since on or about May 26, 2020, protesters have gathered in Portland public areas, including Lownsdale Square, Chapman Square, and Terry Schrunk Plaza. The Justice Center, which contains Portland Police Bureau's (PPB) Central Precinct and the Multnomah County Detention Center (MCDC), and the Mark O.Hatfield United States Federal Courthouse,

are directly across the street from those parks. The United States of America owns the entire city block (Block #24) occupied by the Hatfield Courthouse, as depicted below.<sup>1</sup>

6. Daily protests have regularly been followed by nightly criminal activity in the form of vandalism, destruction of property, looting, arson, and assault. The Hatfield Courthouse has experienced significant damage to the façade and building fixtures during the six weeks following this incident. Additionally, mounted building security cameras and access control devices have been vandalized or stolen. The most recent repair estimate for the damage at the Hatfield Courthouse exceeds \$50,000, and there has been additional extensive damage since then. Other federal properties in the area routinely being vandalized include the historic Pioneer

<sup>1</sup> As part of my duties, I am familiar with the property boundaries for federal facilities in the Portland area. The federal government owns the entire city block occupied by the Mark O. Federal Courthouse. Easements have been granted for the sidewalks surrounding the facility. The property boundary extends past the sidewalks and into the streets surrounding the courthouse.

Federal Courthouse, the Gus Solomon Courthouse, and the Edith Green Wendall Wyatt Federal Office Building. FPS law enforcement officers, Deputy U.S. Marshals, and other federal law enforcement officers working to protect the Hatfield Courthouse have been subjected to threats, aerial fireworks (including mortars), high intensity lasers targeting officers' eyes, thrown rocks, bottles, and balloons filled with paint, and vulgar language from demonstrators while performing their duties.

7. Specifically, on July 27, 2020, federal law enforcement officers attempted to disperse a crowd on 3<sup>rd</sup> Avenue between Main and Salmon streets in Portland, OR after the Federal Protective Service (FPS) declared an unlawful assembly multiple times. This occurred after violent opportunists attempted to destroy the security fence in front of the Mark Hatfield Federal Courthouse with power tools. Additionally, violent opportunists attacked law enforcement officers by throwing hard objects, throwing explosive devices, and physically attacking them. During the dispersal Deputy United States Marshal (DUSM) Victim 1 was dressed in a clearly marked police tactical uniform and was wearing protective equipment to include a gas mask, helmet, and body armor.

8. At approximately 01:30 hours, DUSM Victim 1 was walking with a group of officers when a group of subjects formed a line in front of them. Officers were ordering the subjects to disperse, and they failed to comply with repeated orders. As the United States Marshals Service (USMS) line approached, individuals holding shields began to group in Lownsdale park. As deputies approached, an individual later identified as Brodie Storey lurched forward and attempted to tackle DUSM Victim 1. DUSM Victim 1 struggled and went to the ground. Subsequently, DUSM Victim 1 attempted to place Brodie Storey under arrest, but Storey

was violently resisting. DUSM Victim 1 instructed Storey to place his hands behind his back. Storey continued to resist, refused to comply with orders, and squeezed his arms under his chest. During this time, DUSM Victim 1 was getting hit with bottles and other projectiles from members of the crowd. As DUSM Victim 1 was attempting to gain control of Storey's arms, another individual later to be known as Patrick STAFFORD, assaulted DUSM Victim 1 with a shield. STAFFORD attempted to stop the arrest by slamming a shield into DUSM Victim 1 so that Storey could escape. Subsequently, STAFFORD was restrained by another responding DUSM and placed under arrest. Once on the ground, STAFFORD was compliant and obeyed all commands. Storey continued to refuse to comply with orders and fought with officers, resulting in DUSM Victim 1 utilizing his taser. DUSM Victim 1 was able to gain compliance after the application of the taser and Brodie Storey was placed under arrest.

### **Conclusion**

9. Based on the foregoing, I have probable cause to believe, and I do believe, that Patrick STAFFORD assaulted a federal employee or officer, in violation of Title 18 U.S.C § 111. I therefore request that the Court issue a criminal complaint and arrest warrant charging Patrick STAFFORD with that offense.

10. Prior to being submitted to the Court, this affidavit, the accompanying complaint, and the arrest warrant were all reviewed by Assistant United States Attorney (AUSA) Natalie Wight. AUSA Wight advised me that in her opinion, the affidavit and complaint are legally and factually sufficient to establish probable cause to support the issuance of the requested criminal complaint and arrest warrant.
